

**GREATER VALPARAISO CHAMBER OF COMMERCE
BOARD OF DIRECTORS
RESOLUTION SUPPORTING INCUBATOR
FOR BUSINESS CREATION IN VALPARAISO**

Whereas, building the economic strength of this community through job creation is an important aspect of community viability, and

Whereas, the Valparaiso Economic Development Corporation has worked over the last four years to launch a program which encourages incubating entrepreneurs, and

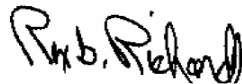

Whereas, the Entech Innovation Center for entrepreneur development has been created to encourage business start-ups.

NOW, THEREFORE be it resolved that the Valparaiso Chamber of Commerce Board of Directors encourages the community to support this effort as one of several economic development tools to bring sustained growth and economic viability to this community.

All of which action is taken on April 15, 2008.

Dee Haklin, Chair, Board of Directors

Rex Richards, President, Greater Valparaiso
Chamber of Commerce
