

Envision the Future

VALPO CHAMBER
Greater Valparaiso Chamber of Commerce

The Valpo Chamber **Envision the Future** Committee is planning the 2010 event for Porter County eight-grade students. This annual program is scheduled for March 18, 2010, from 7:30 a.m. to 2:00 p.m. at the Porter County Expo Center.

Business Volunteers are **extremely** important to this program. Volunteers will assist students as they learn how to live within their means while enjoying their chosen career. Envision the Future is an opportunity for students to realize exactly how much money it will take to pay for housing, utilities, a vehicle, insurance, food, clothing, and childcare; while trying to have enough money leftover for the "extras" in life.

Why should you volunteer? What's in it for you?

- Area 8th graders are the future pool of employees and consumers. The better choices they make for their education, the better the employment pool becomes for the local business community.
- Networking opportunities with over 150 business volunteers in attendance.
- Envision the Future is a great way to impact over 1,000 students in a short period of time.

A volunteer workshop will be available on
Thursday, March 4, at 4:30 p.m.
